Thank You

To Margaret.

Well we did it & you managed to sort the lot out in 3 months. What can we say but a huge thank-you. Our day was even better than we ever imagined it to be or dream. You kept us in check and made sure everything run so smoothly. We didn't even have to panick or break a sweat. We couldn't of imagined how we would of managed without you. What a day it was and all our families are still speaking about it and they want to do it all over again so we will be booking you for our silver wedding anniversary.

Thank you so so much for all ya done. Love

Joanne & Martin Buchanan.
